

Unified Theory "Instead Of Running"

A narrow piece for me, left to show
Explaining yesterday, years ago
When I drank holy water straight
Instead of running, here I stand
The clues are hovering, right above my head
This day is over rated now that I'm awake
I don't know what to do, to make me feel better
When I drink holy water straight
To close, don't, the rest could heal
To close, no, the rest could heal
This day is over rated, now that I'm awake
I don't know what to do to make me feel better
I don't know what to do
Well, I drink holy water straight
Or when?
On this very day
This narrow piece of me, forgets you care
Are you the optimist that I tried to help
This day is over rated, now that I'm awake
I don't know what to do, to make me feel better
Well, I drink holy water straight
Or when?
