Young girl, get out of my mind  
My love for you is way out of line  
Better run, girl, you're much too young, girl

With all the charms of a woman  
You kept the secret of your youth  
You led me to believe you're old enough to give me  
love  
And how it hurts to know the truth

Young girl, get out of my mind  
My love for you is way out of line  
Better run, girl, you're much too young, girl

Beneath your perfume and makeup  
You're just a baby in disguise  
And though you know that it's wrong to be alone with  
me  
That "come on" look is in your eyes

Young girl, get out of my mind  
My love for you is way out of line  
Better run, girl, you're much too young, girl

So hurry home to your momma  
I'm sure she wonders where you are  
Get out of here, before I have the time to change my  
mind  
'Cause I'm afraid we'll go too far

Young girl, get out of my mind  
My love for you is way out of line  
Better run, girl, you're much too young, girl
