Angie, Angie, when will those clouds all disappear?  
Angie, Angie, where will it lead us from here?  
With no loving in our souls and no money in our coats  
You can't say we're satisfied

But Angie, Angie, you cant say we never tried  
Angie, you're beautiful, but ain't it time we said  
goodbye?  
Angie, I still love you, remember all those nights we  
cried?  
All the dreams we held so close seemed to all go up in  
smoke  
Let me whisper in your ear, Angie, Angie, where will it  
lead us from here?

Oh, Angie, don't you weep, all your kisses still taste  
sweet  
I hate that sadness in your eyes  
With no loving in our souls and no money in our coats  
You can't say we're satisfied

But Angie, I still love you, baby  
Everywhere I look I see your eyes  
There ain't a woman that comes close to you  
Come on baby, dry your eyes

But Angie, Angie, ain't it good to be alive?  
Angie, Angie, they can't say we never tried  
Remember all those nights we cried?  
I hate that sadness in your eyes  
Ain't it time we said goodbye?
