Come down of your throne and leave leave your body
alone

Somebody must change

You are the reason I've been waiting so long

Somebody holds the key

Well, I'm weird, I just ain't got the time

And I'm wasted and I can't find my way home

And I can't find my way home

Come down on your own and leave your body alone

Somebody must change

You want the reason I've been waiting all these years

Somebody holds the key

Well, I'm weird, I just ain't got the time

And I am wasted and I can't find my way home

And I can't find my way home and I can't find my way
home

Well, I'm weird and I just ain't got the time

And I am wasted and I can't find my way home

And I can't find my way home and I can't find my way
home

And I can't find my way home and I can't find my way
home
