Dirty old river, must you keep rolling  
Flowing into the night  
People so busy, makes me feel dizzy  
Taxi light shines so bright

Terry meets Julie, Waterloo station  
Every Friday night  
But I am so lazy, don't want to wander  
I stay at home at night

But I don't need no friends  
As long as I gaze on Waterloo sunset  
I am in paradise  
As long as I gaze on Waterloo sunset  
I am in paradise

Every day I look at the world from my window  
But chilly, chilly is the evening time  
And Waterloo sunset's fine

Millions of people  
Swarming like flies 'round Waterloo underground  
But Terry and Julie cross over the river  
Where they feel safe and sound

And the don't feel afraid  
As long as they gaze on Waterloo sunset  
They are in paradise  
As long as they gaze on Waterloo sunset  
There are in paradise

Every day I look at the world from my window  
But chilly, chilly is the evening time  
And Waterloo sunset's fine, fine, fine, fine, fine

But I don't need no friends and I won't feel afraid  
As long as I gaze on Waterloo sunset  
I am in paradise  
As long as I gaze on Waterloo sunset  
I am in paradise

As long as I gaze on Waterloo sunset

Come, as long as I gaze on Waterloo sunset  
I am fine, fine, fine, fine
