What if  
I broke down and cried for you  
Would you put us  
Back together  
Just as good as new

What if  
I begged you pretty please  
It's hard to see eye to eye  
Down here on my knees

What if,  
Oh, oh, oh,  
What if  
I said I love you

If is such a little word  
But it can mean so much  
'Cause if you don't come back to me  
Darling I'll die without your touch

What if  
I pushed my pride aside  
Would all these tears of mine  
Help to turn the tide

What if  
You took me back again  
I'd be everything to you  
Your lover and your friend

What if  
Oh, oh, oh  
What if  
I said I love you

If is such a little word  
But it can mean so much  
'Cause if you don't come back to me  
Darling I'll die without your touch

What if

Oh, oh, oh  
What if  
I said I love you  
(I love you baby)  
What if  
I said I love you  
(And I love you)  
What if  
I said I love you
