Last night I had the strangest dream,
I sailed away to China in a little rowboat to find you
And you said you had to get your laundry cleaned
Didn't want no one to hold you, what does that mean?

And you said
Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

You're on the road and now your plane has gone
The road behind was rocky
But now you're feeling cocky
You look at me and you'll see your past
Is that the reason you're running so fast?

And you said
Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

Never let another guy like you, whip me over
Never let another guy like you, drag me under
If I meet another guy like you, I will tell him
Never want another guy like you, have to say HEY

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving

Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving
I've got to keep on moving, moving, moving, moving
whoa-o-o, I've got to keep on moving

Ain't nothing gonna break my stride
Nobody's gonna slow me down
Oh no, I've got to keep on moving
Ain't nothing gonna break my stride
I'm running and I won't touch ground
Oh no, I've got to keep on moving
