Thrashing through all that is me  
Stranglehold on my soul  
Blinded by this self driven machine  
The burnt, frayed ends of control

Why do I feel obliged to such enmity?  
A faithless, perfidious being  
Through all the years, such allegiance to me  
There's emptiness within

Screaming, running from times gone by  
Another turn in this lifeless life  
I'm further from my field of dreams  
Temptation has won this time

Puncture my soul with sordid angst  
As I fade away from the real I find  
Washing away with this amber of mine  
Numbing decay of the drowning mind

Strength pulled from the raging depths of my hate  
Replacing my weakness and fear  
Born from this, the force you see in me  
Your injustice is near

Piece by piece, rebuilt upon tragedy  
Transformed by retribution  
Ever evolving sense of worthiness  
Vengeance will be ruthless

Screaming, running from times gone by  
Another turn in this lifeless life  
I'm closer to my field of dreams  
Temptation has lost this time

Mending my soul with the sweet of revenge  
As I realise the real I find  
Pouring away all this amber of mine  
Faithless!  
No more do I feel this time

[Lead: M. Soininen]

Screaming, running from times gone by  
Another turn in this lifeless life  
I'm closer to my field of dreams  
Temptation has lost this time

Healing my soul with the sweet of revenge  
As I realise the real I find  
Pouring away all this amber of mine  
Faithless!  
No more do I feel this time
