Then just walk it on out
Do that hokey pokey(x4)
You put your right foot in

Then just walk it on out
Do that hokey pokey(x4)

Girls in them tight jeans lord have mercy when they do

Stocks in the doors got my pockets for some aphasis
Oh it appear the pen broke Bush you neva get my vote

Lets get to the demit it lets get to debricit
It's funny how this money stacking call me wine did it
Now tell me is this city I met this bad gal
She want me to rub her kitty so I rubbed the kitty
It was real pretty (real pretty) and real soft (real soft)
But it jumped up my arms and it ran off
I never had doe I always had clothes
If I'm happy or I'm pissed imma get it!
I'm booster parked (booster parked) after dark (after

Till I press the bull pump you gonna see the sparks
I take a nickel everywhere I go I keep it go sharp in the

Call it mop and glow (so put the 50's)
I know I'm frowning I know my pants sag
I got plenty G's you spent all ya had
Hokey poking never hit ya still got plenty
