Yo yo brand new KRS y'all Maximum Strength
5 Boroughs of death we rep to death
Yo Kris set it for The Bronx..

[KRS One]

We hit em and get em we stick em and jig em
we pick em and kick em
Flippin them whip and I'm wing clippin them lip
cause I'm cold sick of them
Much quicker than them lyrically trickin and my Tribe
be on a Quest like Tip and them
On every avenue puttin the full clip in em
Splittin and strippin em down while spittin a round
into them soundclash see winnin them, just begginin
them
Get rid of ev-ery bit of them with them negative idioms
I don't even consider them
In the new millenium we killin them
Breeze Deep, Kenny and Will and them, KRS-One we
thrillin em
Many battles we been in them now we rebuildin them
We blaze, fulfillin them, Keith ?, Jesse, Jamil and them
We originate styles, other be stealin them

[Vigilante]

You got a good rise in your rolodex, who flow is next?
Comin out to {fuck} with the best, put it in your chest
Inhale it and hold that, blow it out when I say let go;
let's see
if you can hold your breath, by the time I flip to the next
flow
This sho' is real, this is the deal, guns I'm runnin
Gotta make it out of town to flip my {shit} and keep it
comin
Then bring it back, with another stack, of raps to blow
your back out
How many of y'all wanna go for yours I keep my dogs
in the crackhouse

[Buckshot]

Let's take a walk through Crown Heights

Steppin through the city at night, with the ? and two mic
Form a little lynch mob, and stomp through the five
boroughs
Head back to Brooklyn in the Expo
Back on the block, I see the cops everybody clockin
Buckshot, when you see the rocks, me I got you
shocked
