I've got her in my head,  
And I will not go to bed,  
And I know it sounds lame but  
She's the girl of my dreams.

And of course I'd do anything for her.  
I'd search the ruins of Endor,  
I'd even walk naked through the deserts of Tatooine.

Princess Leia where are you tonight?  
And who's laying there by your side?  
Everynight I fall asleep with you,  
And I wake up alone.

And even though I'm not as cool as Han,  
I still want to be your man,  
You're exactly the kind of Alderaanian that I need.

But when you were available I was,  
Drinking Colt 45's with Lando  
I was hanging out at the cantina on Mos Eisley.

Princess Leia where are you tonight?  
And who's laying there by your side?  
Everynight I fall asleep with you,  
And I wake up alone.

(Drum, Bass, Guitar Solo)

Princess Leia, Princess Leia...  
Princess Leia where are you tonight?  
And who's laying there by your side?  
Everynight I fall asleep with you,  
And I wake up alone.
