AIR FORCE 801

Listen to the rumble, and hear old Merlin roar  
I'm flying over Moji, like I never flew before  
Hear the mighty rush of the slipstream, and hear old  
Merlin moan,  
I'll wait a bit and say a prayer and hope it gets me  
home.

Itazuke tower, this is Air Force 801  
I'm turning on the downwind leg, my prop has overrun  
My coolant's overheated, the gauge says 1-2-1  
You'd better call the crash crew, and get them on the  
run.

Air Force 801, this is Itazuke tower  
I cannot call the crash crew, this is their coffee hour  
You're not cleared in the pattern, that is plain to see  
So take it on around again, we have some VIP.

Itazuke tower, this is Air Force 801  
I'm turning on the downwind leg, I see your biscuit gun  
My engine's runnin' ragged, and the coolant's gonna  
blow

I'm gonna prang a Mustang, so look out down below.  
Itazuke tower, this is Air Force 801  
I'm turning on the final, and running on one lung  
I'm gonna land this Mustang, no matter what you say  
I've gotta get my charts fixed up before that Judgment  
Day,

Air Force 801, this is Judgment Day  
You're in Pilot's Heaven, and you are here to stay  
You just bought a Mustang, and you bought it well  
The famous Air Force 801 was sent straight down to  
Hell.

From There I was flat on my back, Stevens
