#### SONG OF THE SEALS

A sea maid sings on yonder reef  
The spell bound seals draw near  
A lilt that lures beyond belief  
Mortals enchanted hear

Coir an oir an oir an oir o  
Coir an oir an oir an eer o  
Coir an oir an oir an ee lalyuran  
Coir an oir an oir an eer o

The wandering ploughman halts his plough  
The maid her milking stays  
And sheep on hillside, bird on bough  
Pause and listen in amaze

Was it a dream? Were all asleep?  
Or did she cease her lay?  
For the seals with a splash dive into the deep  
And the world goes on again  
Yet lingers the refrain
