Always flirt with death  
I look ill, but I don't care about it  
I can face your threats  
Stand up straight & tall and shout about it

I think I'm on another world with you  
I'm on another planet with you

You always get under my skin  
I don't find it irritating  
You always play to win  
I don't need rehabilitating

Another girl, another planet  
Another girl, another planet

Space travel's in my blood  
And there ain't nothing I can do about it  
Long journeys wear me out but  
I know I can't live without it

Another girl is loving you now  
Another planet, is holding you down  
Another planet
