From the Moment I saw You...  
From the Moment I looked into Your Eyes...  
There was Something about You...I knew...I knew  
You were once in a lifetime, a treasure near impossible  
to find,  
And I know how lucky I am to have you

(CHORUS)

I've seen rainbows that can take your breath away  
the Beauty of the setting sun on any given day  
When it comes to shooting stars, i've seen a few,  
But I've never seen anything as beautiful as you...

Ohh..ooo

I can't believe that I have you  
I can't believe that you're here in my arms  
I've been waiting a lifetime for you...for you.  
And I've dreamed about you  
Pictured in my mind who I would see  
But I never imagined just how beautiful you'd be...

(CHORUS)

I've seen rainbows that can take your breath away  
the Beauty of the setting sun on any given day  
When it comes to shooting stars, i have seen a few,  
But I've never seen anything as beautiful as you...

lalalalalalala....

oooh....

(CHORUS)

I've seen rainbows that can take your breath away  
the Beauty of the setting sun on any given day  
When it comes to shooting stars, i've seen a few,  
But I've never seen anything...

No I've never seen anything...as beautiful as you  
oohh

From the moment i saw you,  
From the moment i looked into your eyes
