In plenty and in time of need  
When this fair land was young  
Our brave forefathers sowed the seed  
From which our pride has sprung  
A pride that makes no wanton boast  
Of what it has withstood  
That binds our hearts from coast to coast  
The pride of nationhood  
chorus  
We loyal sons and daughters all  
Do hereby make it known  
These fields and hills beyond recall  
Are now our very own  
We write our names on history's page  
With expectations great  
Strict guardians of our heritage  
Firm craftsmen of our fate  
The Lord has been the people's guide  
For past three hundred years.  
With Him still on the people's side  
We have no doubts or fears.  
Upward and onward we shall go,  
Inspired, exulting, free,  
And greater will our nation grow  
In strength and unity.
