Hey what's happening?
It's your homeboy Lil' Rob

You know I cruise my low riders
I just can't find nothing to cruise to you know?
What happen to the good music?
All that oldies shit
This ones going out to everybody low riding
Who need something to cruise to Watch-Ah

(Lil' Rob)

All you vatos take note, Lil' Rob ain't no joke
So Watch-Ah Jump in my six-three Impala
Put down the top as I pull to the stop
Drop, roll never can be to low
Simon I got low riders hundred spoke wires
White wall tires four pumps jumps it higher
Than anything you've ever seen
Fucking mean fucking clean
Can't drive to fast or swerving
Slipping and dipping that's what we call it
That's what you do when you've got Hydraulics
I sea-saw it front back side to side pancake it
We don't fake ese we just take it
Don't try to jack it putting holes in your jacket
From my semi-automatic
Whatchu thought ese we ain't got no pride?
Get ready to learn how we ride on the Southside

[Chorus]

I was brought up (I was brought up)
In a small neighborhood (In a small neighborhood)
Where I'm cruisin (Were I'm cruisin)
My Low rides looking good (My Low rides looking good)
I said I was brought up (I was brought up)
In a small neighborhood (In a small neighborhood)
Where we go cruisin (Were we go cruisin)
And it's all to the good Orale check this out

(Lil' Rob)
