BUY BROOM BESOMS

If you want a besom for to sweep your house  
Come to see me lassies, you shall have your choice

Buy broom besoms, buy them when they're new  
Fine heather bred uns, better never grew

Besoms for a penny, rangers for a plack  
If you will not buy, I'll tie them on my back

If I had a horse, I would have a cart  
If I had a wife, she would take my part

Had I but a wife, I care not who she be  
If she be a woman, that's enough for me

If that she be bonnie, then I'll think it right  
If that she be ugly, what's the odds at night  
If she liked a droppie, her and I'd agree  
If she didn't like it, there's the more for me

If that she be fruitful, then I'd think it fair  
If that she be barren, less will be my care

If that she be young, how happy I will be  
If that she be old, the quicker she will die
