Hey homeboy you got twenty bucks I could borrow
man?

Ah, you're broke huh?

Right on, that's cool man

Hey homeboy what about you holmes?

You always got some weed holmes

Can you spot me a twenty?

I'll pay you back ey

Come on, I'll pay you back guey

My Impala hasn't moved in weeks

Simon I'm feeling kind of shitty homeboy, this is weak

I gotta get a twenty to get me through the day

Because you all know I love it when I feel this way

Without my ride ese how am I gonna get by?

That's why I need a twenty holmes so I can get high

Damn what a fucked up day

If I only had a twenty things would be ok

But no one wants to front me or let me borrow

I don't think I can wait until tomorrow, fuck these vatos

[Chorus x2]

I drive thirty down the highway

I got hydraulic fluid leaking down my driveway

I got a big chrome bill that I can't pay

Hey homeboy can I get a twenty, pay you back ey, pay
you back guey

Damn it's a fucking shame

All these silly levas wanna play these silly games

Trying to play Lil' Rob for a little lame

Had to run vato over like a fucking train, Goddang

Still didn't get none though

Why not? Because he really didn't have none bro

My bad, hey homeboy let me help you up
I know you don't have no weed, but you got twenty
bucks, that I could borrow
I'd gladly pay you back tomorrow
But i
