Yeah

It's your homeboy Lil' Rob

It was once said that you can't keep a good man down

That's why I'm back

Simon

That's right

L-I-L R-O-B, remember me, it's me

That vato hardcore on your memory

Temporarily had a commision, now my mission is to
keep you wishing

That I was gone, what's wrong?

Fear what you know, loco with the flow

And if you didn't know, now you know, oh no

Pelon, chingon, cholo, solo

Always rolling in my lowrider ese, how low? As low as it
goes

Clothes always creased, dressed up nice and neat

Always fucking up my beats and always fucking up my
sheets

Take a seat and learn that I just can't be burned

Though I'll burn you like a lenio, you can't fuck with me,
mental

Eso mero, you better believe it homey

They'll be bumping my shit in forty years just like an
oldie

Listen over here, over there, what's that sound?

Lil' Rob, can't keep a good man down

[Chorus]

Listen over here, over there, what's that sound?

Lil' Rob, can't keep a good man down

Listen over here, over there, what's that sound?

Lil' Rob, can't keep a good man down

Listen over here, over there, what's that sound?

Lil' Rob, can't keep a good man down

Listen over here, over there, what's that sound?

Lil' Rob

What's up ese

It's your homeboy Lil' Rob coming back at you

Letting you vatos know they can't keep a good man
down
Those who know don't talk and those who talk don't
know
So remember that shit the next time you're questioned
ese
Orale

The world is my stage, got you trapped like a cage
Act your age not your shoe size, where the fucks the
truth
