CARRY IT ON

There is a man by my side walking
There is a voice within me talking
There is a word that needs a saying

Carry it on, Carry it on, carry it on, carry it on

They will tell their lying stories
Send their dogs to bite our bodies
They will lock us in the prison

All their dogs will lie there rotting
All their lies will be forgotten
All their prison walls will tumble

If you can't go on any longer
Take the hand held by your brother
Every victory gonna bring another
