[Intro: Jay-Z (Pharrell)]

Uh, uh, uh, yeah, uh, your boy is back

(Sexy sexy) I know y'all miss the bounce

Need to bounce for the sexy you know

[Verse 1: Jay-Z]

Yeah ma, your dude is back, made back roof is back

Tell the whole world the truth is back

You ain't got to argue about who could rap

Cause the proof is back just go through my rap

New York New York yeah where my troopers at

Where my hustlers where my boosters at

I don't care what you do for stacks

I know the world glued you back to the wall

You gotta brawl to that

I been through that, been shot at shoot back

Gotta keep it peace like a buddhist

I ain't a New Jack nobody 'gon Wesley Snipe me

It's less than likely, move back

Let I breathe Jedi knight

The more space I get the better I write

(Oh) Never I write, but, if, ever I write

I need the space to say whatever I like, now just

[Chorus: Jay-Z (Pharrell)]

(Change clothes and go) You know I stay, fresh to death I brought you from the projects

And I'm a take you to the top of the globe so let's go (Change numbers and go)

Uh huh yeah, uh (Now girl I promise you, no substitute) It's just me

[Verse 2: Jay-Z]

And I 'gon tell you again let's get ghost in the phantom

You could bring your friend we could make this a tandem

You could come by yourself and you could stand him

Best believe I sweat out weaves, give afropuffs like R.A.G.E.

Awww you get If you could move it

Back it on up like a U Haul truck

Then run and tell them thugs you heard Hovi knew

He and the boy for real make beautiful music

He is to the east coast what Snoop is, to the west coast what Face is to Houston

Young Hov in the house it's so necessary

No bra with the blouse it's so necessary

No panties and jeans that's so necessary

Now why you frontin on me is that necessary

Do I to you look like a lame

Who don't understand a bra with a mean shoe game

Whose up on Dot Dot Dot and Vera Wang

Ma are you insane, let's just

(Woman speaking: What you want me to do?)

[Chorus: Jay-Z (Pharrell)]

(Change clothes and go) You know I stay, fresh to death I brought you from the projects

And I'm a take you to the top of the globe so let's go (Change numbers and go)

Uh huh yeah, uh (Now girl I promise you, no substitute) It's just me

[Bridge: Jay-Z (Pharrell)]

Uh, uh (Sexy sexy) Woo! (Ah ah!!!)

[Verse 3: Jay-Z]

Young Hovi in the house it's so necessary

No bra with that blouse it's so necessary
