CITY OF NEW ORLEANS  
(Steve Goodman)

Ridin' on the City of New Orleans  
Illinois Central, Monday mornin' rail  
15 cars & 15 restless riders  
Three conductors, 25 sacks of mail

All along the southbound odyssey the train pulls out of  
Kankakee  
Rolls along past houses, farms & fields  
Passin' towns that have no name, freight yards full of  
old gray men  
And the graveyards of rusted automobiles

cho: Good mornin' America, how are you?  
Don't you know me? I'm your native son!  
I'm the train they call the City of New Orleans  
I'll be gone 500 miles when the day is done

Dealin' cards with the old men in the club car  
Penny a point, ain't no one keepin' score  
Pass the paper bag that holds the bottle  
And feel the wheels grumblin' neath the floor

And the sons of Pullman porters & the sons of  
engineers  
Ride their fathers' magic carpet made of steel  
Mothers with their babes asleep, rockin' to the gentle  
beat  
And the rhythm of the rails is all they feel

cho:

Night time on the City of New Orleans  
Changin' cars in Memphis, Tennessee  
Halfway home & we'll be there by mornin'  
Thru the Mississippi darkness rollin' down to the sea

But all the towns & people seem to fade into a bad  
dream

And the steel rail still ain't heard the news  
The conductor sings his song again  
"The passengers will please refrain:  
This train has got the disappearin' RR blues

Goodnight America How are you? ...
