This one goes out, to all our fans
To all the punk rock kids who've been into our band
If you only know us, from this one song
Here's news for you, we've been around six years long!
And it hurts.....

It's alright to tell me
what you think about me
I won't try to argue
or hold it against you
I know that you're leaving
you must have your reasons
The season is calling
Your pictures are falling down

The steps that I retrace
The sad look on your face
The timing and structure
Did you hear, he fucked her
A day late, a buck short
I'm writing the report
On losing and failing
When I move I'm failing now!

And it happened once again
I'll turn to a friend
Someone that understands
Sees through the master plan
But everybody's gone
and I've been here for too long
To face this of my own
Well I guess this is growing up
Well I guess this is growing up

And maybe I'll see you
at a movie, sneak preview
You'll show up and walk by
On the arm of that guy
And I'll smile and you'll wave
We'll pretend it's okay
The charade, it won't last

when he's gone, I won't come back

And It happens once again
You'll turn to a friend
Someone that understands
See through the master plan
But everybody's gone
You've been here for too long
to face this of your own.....
