DANGER WATERS

And I holler why, and I holler why  
And I holler why, the tortoise boy no mon ami

First he give me one, then he give me two  
And he give me three and I holler "Lord have mercy"

First we go in a room, make me mama no know  
Make me lie on a sofa, make me have-a me labor

Give me back me shillin', give me back me shillin'  
You can stand on your own feet now, give me back me  
shillin'

Hold me tight, hold me tight, danger waters coming  
baby  
hold me tight  
hold me tight, hold me tight, danger water coming,  
baby,  
hold me
