Dear Companion

I once did have a dear companion  
Indeed I thought his love my own  
Until a dark eyed girl betrayed me  
And then he cares no more for me

Just go and leave me if you wish to  
It will never trouble me  
For in your heart you love another  
And in my grave I'd rather be

Last night you were sweetly sleeping  
Dreaming in some sweet repose  
While I, a poor girl, broken hearted  
Listened to the wind that blows

When I see your babe a laughing  
It makes me think of your sweet face  
But when I see your babe a crying  
It makes me think of my disgrace
