Dear mr jesus
i just had to write to you
something really scared me when i saw it on the news
a story bout a little girl
beaten black and blue
jesus thought i'd send this right to you
dear mr.jesus
i don't understand
why they took her mom and dad away
i know that they don't mean to hit
with wild and angry hands
show them just how big they are i pray

(Chorus)

please don't let them hurt your children
we need love and shelter form the storm
please don't let them hurt your children
won't you keep us safe and warm

dear mr. jesus
they say that she may die
oh i hope the docters stop the pain
i know that you could save her
and take her up to the sky
so she would never have to hurt again

(Chorus)

please don't let them hurt your children
we need love and shelter form the storm
please don't let them hurt your children
won't you keep us safe and warm

dear mr. jesus
please tell me what to do
and please don't tell my daddy
but my mommy hits me too

(Chorus)

please don't let them hurt your children
we need love and shelter form the storm
please don't let them hurt your children
won't you keep us safe and warm
