(1,2,1,2,3,4) Tom: I don't want to urinate on myself  
I don't want to urinate on anyone else  
But, I guess that really doesn't matter anymore  
Cuz I can't control my bladder anymore

Well, I guess it all depends (undergarments)  
Well, I guess it all depends (undergarments)

Step back into life  
No more soiled nights alone  
But I guess I don't have a care  
Because there's not a load in my underwear

Mark: I'm sick of offending everyone I meet (go, go,  
go, go)  
I'm sick of crying myself to sleep on rubber sheets (go)  
I had an accident today  
I left a soiled bus seat, I didn't know what to say

But, I guess it all depends (undergarments)  
Well, I guess it all depends (undergarments)

Step back into life (go, go)  
No more soiled nights alone  
Well, I guess that I don't have a care  
If I don't have a load in my underwear.

(Talking) Tom: Uh..um anyway....Well as I was  
sayng...my dog, nice dog bending over.  
Mark: If you dropped your keys you'd bend over too.

Tom: Well I just wanted to say I thank you all for coming  
to the sperm bank. Do you have a question there?

Mark(says it really fast and in with a Mexican accent):  
Shit, Scott that ocky? mofo messing with my old lady  
got to be running cold upside down his head, you know  
what I'm sayin' man?  
Hey holmes, I can dig it. That brother ain't a picking up  
on you(?).  
I see A. Scott. So did I say what I want to say(?)

Pretty Jay I did the same old same old.
