Please, mom
You ground me all the time
I know that i was right
All along

And i'm hoping
Remember i'm a kid
I know not what i did
Just having fun

You couldn't wait for something new
And yesterday i thought of you
It left me to think as if i couldn't walk away
It's too late, i fell through

Nothing to lose
A boy who went out when he finished all his chores
Nothing to do
They can't trust me because i blew it once before

Shit, dad
Please don't kick my ass
I know i've seen you trashed
At least one time

Can i blame it
On one of my dumb friends
It's been awhile
Since i have used that line

You couldn't wait for something new
And yesterday i thought of you
It left me to think as if i couldn't walk away
It's too late, i fell through

Nothing to lose
A boy who went out when he finished all his chores
Nothing to do
They can't trust me because i blew it once before

(alright)

Nothing to lose
A boy who went out when he finished all his chores
Nothing to do
They can't trust me because i blew it once before
