DID SHE MENTION MY NAME  
(Gordon Lightfoot)

It's so nice to meet an old friend and pass the time of  
day.  
And talk about the home town a million miles away.  
Is the ice still in the river, are the old folks still the  
same?  
And by the way did she mention my name?

Did she mention my name just in passing?  
And when the morning came do you remember if she  
dropped a name or two?  
Is the home team still on fire? Do they still win all the  
games?  
And by the way did she mention my name?

Is the landlord still a loser? Do his signs hang in the  
hall?  
Are the young girls still as pretty in the city in the fall?  
Does the laughter on their faces still put the sun to  
shame?  
And by the way did she mention my name?

Did she mention my name just in passing?  
And when the talk ran high did the look in her eye seem  
far away?  
Is the old roof still leaking when the snow turns to rain?  
And by the way did she mention my name?

Did she mention my name just in passing?  
And looking at the rain do you remember if she  
dropped a name or two?  
Won't you say "Hello" for someone there'll be no need  
to explain?  
And by the way did she mention my name?
