DIRTY OLD TOWN  
(Ewan MacColl)

I found my love where the gaslight falls  
Dreamed a dream by the old canal  
Kissed my girl by the factory wall  
Dirty old town, dirty old town

Clouds are drifting across the moon  
Cats are prowling on their beat  
Springs a girl in the streets at night  
Dirty old town, dirty old town

I heard her sigh from the decks  
Saw a train set the night on fire  
Smelled the spring on the smoky wind  
Dirty old town, dirty old town

I'm going to take a good sharp ax  
Shining steel tempered in the fire  
We'll chop you down like an old dead tree  
Dirty old town, dirty old town
