DON'T FORGET THE UNION LABEL

(Thomas H. West)

Copyright 1901 by Thomas H. West, Kansas City, Mo.

Dedicated to the Woman's International

Union Label League

There's a precious little emblem that's familiar to you  
all,

It's a tried and true protector, come what may,

And where labor is united in response to duty's call

There this brilliant little star lights up the way.

For its mission is to bring about the brotherhood of  
man,

There is nothing can your rights so well defend.

So help it on with deed and word in every way you can

Don't forget the union label, it's your friend.

cho: It will make improved conditions, better homes, a  
better wage,

And your aid to its advancement you should lend

It will make your country better. It will will brighten  
history's page,

Don't forget the union label, it's your friend.

Though apparently so silent yet it speaks thro'out the  
land,

For the noble cause it's striving to uphold,

And to free the sweat shop slaves the union label takes  
a stand

From their wretchedness and miseries untold

It will educate t@e people to the evils that exist,

And success will crown its efforts in the end

Help it on its noble mission it will win if you persist

Don't forget the union label it's your friend.

From American Labor Songs of the Nineteenth Century,
