Don't leave me all alone
Just drop me off at home
I'll be fine, its not the first
Just like last night, but a little worse

She said that I'm not the one that she thinks about and
She said it stopped being fun, I just bring her down
I said "Don't let your future be destroyed by my past"
She said "Dont let my door hit your ass"

FUCK YEAH!!

Just give me one more chance, I'll try this time
I'll give you yours, I wont take mine
I'll listen up, pretend to care
Go on ahead, I'll meet you there

She said that I'm not the one that she thinks about and
She said it stopped being fun, I just bring her down
I said "Don't let your future be destroyed by my past"
She said "Don't let my door hit your ass"

BASS SOLO!!

Lets try this one more time with feeling
One more time with feeling
One more time with feeling
One more time with feeling

She said that I'm not the one that she thinks about and
She said it stopped being fun, I just bring her down
I said "Don't let your future be destroyed by my past"
She said "Don't let my door hit your ass"

Don't leave me all alone
Just drop me off at home
And I'll be fine

Tom: You will be fine you fucking asshole!!! Wow!!
belches Excuse me!

Mark: Thank You

Tom: Hey, uhh Hey Mark. We have a very special person here that wants to say hi. You guys, this is Satan.

Satan: Hello kids. If you guys would take off your pants then maybe we'll all be a little bit more healthy. I wanna have fun with you but I'm gonna have to see you naked. I have to go away now, because there's another song, and I've got a bonor. You guys mind if I get a bonor kids?
