Now i'm trying to say good bye, they meant to might be  
dry out,  
now i'm trying to say hello, took u whore and drink u  
dont know,  
chorus: dont take the high road, they said you're laugh  
about it,  
get in the car and drive away.

Now u did it just for fight, cause u love it when is dry,  
and I tell u now is something that u probbly never tried,  
when u look behind the mirror, reach I tried is so wide,  
to make up the side that u taking easy far.

chorus:

Dont take the high road, that said u laugh about it, get  
in the car and drive away.

3 times.....
