I hear the phone it rings so violently  
Can't leave my room, can't breathe since she left me  
I will admit i hate those things i said  
Girls will always cry, guys will never admit they did

Hold on, hold on, hold on

Don't tell me it's over,  
I'm not used to this temptation  
And when you come back running,  
There is no use for explanation  
I think these things are too hopeful, even with my  
expert knowledge  
Most girls most do mean trouble, because they are  
rarely honest

What's with the jokes, all the routines they play  
Screw with my head, never cave til they get their way  
Guys like to run, chicks like to yell you see  
Guys hate to fight, girls think its therapy

Hold on, hold on, hold on

Don't tell me it's over,  
I'm not used to this temptation  
And when you come back running,  
There is no use for explanation  
I think these things are too hopeful, even with my  
expert knowledge  
Most girls most do mean trouble, because they are  
rarely honest

Hold on, hold on, hold on

Don't tell me it's over,  
I'm not used to this temptation  
And when you come back running,  
There is no use for explanation  
I think these things are too hopeful, even with my  
expert knowledge  
Most girls most do mean trouble, because they are

rarely honest

Don't tell me it's over,  
I'm not used to this temptation  
And when you come back running,  
There is no use for explanation  
I think these things are too hopeful, even with my  
expert knowledge  
Most girls most do mean trouble, because they are  
rarely honest  
Don't tell me it's over, I'm not used to temptation

heres the other bonus track

Bonus Track 6 or "grandpa is an asshole" (on ce  
w/green label)

Unos, dos, tres, quatro...

When you fucked grandpa did he tell you that he loved  
you?  
Did he hold you til the sun did rise,  
And did he look into your eyes and ask you to fellate  
him?  
And stick a finger or two in his ass?

He seems like a total asshole  
Grandpa is a total fucking asshole  
Who would ever want a dirty, greasy finger in his ass?  
He rubs his dick in broken glass

When you fucked grandpa did he kiss you soft and  
tender?  
Did he tie your hands behind your head, and was it on  
your mother's bed?  
And this is fucking stupid man i can't believe you'd  
have sex with your own  
Grandfather.

I mean you guys are related  
What's he gonna do take out his false teeth and just  
leave them on the side of  
your bed?  
Man, you like to fuck you in the butt and have everyone  
come in and watch and  
masturbated and cum all over the place  
This is stupid  
I hate you all  
I'm not even gonna have sex with my mom tonight man  
this is stupid  
I hate you
