DON'T THINK TWICE, IT'S ALL RIGHT
(Bob Dylan)

It ain't no use to sit and wonder why, Babe
It don't matter any how
And it ain't no use to sit and wonder why, Babe
If you don't know by now
When the rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm traveling on
But don't think twice, it's all right

It ain't no use in turning on your light, Babe
That light I never knowed
And it ain't no use in turning on your light, Babe
I'm on the dark side of the road
Still I wish there were something you would do or say
To try to make me change my mind and stay
We never did too much talking anyway
But don't think twice, it's all right

I'm walking down that long lonesome road, Girl
Where I'm bound, I can't tell
But good-bye is too good a word, Gal
So I'll just say Fare thee well
I ain't saying you treated me unkind
You could've done better, but I don't mind
You just sort of wasted my precious time
But don't think twice, it's all right

It ain't no use in calling out my name, Gal
Like you never done before
And it ain't no use in calling out my name, Girl
I can't hear you any more
I'm a thinking and a wond'ring all the way down the
road
I once loved a woman, a child, I'm told
I gave her my heart, but she wanted my soul
But don't think twice, it's all right
