DOVE SHE IS A PRETTY BIRD

The dove she is a pretty bird, she sings as she flies  
She brings us glad tidings and tells us no lies  
She drinks the spring water for to make her voice clear  
When her nest she is building and summer is near

Come all you young fellows take warning by me  
Don't go for a soldier, don't join no army  
For the dove she will leave you, the raven will come  
And death will come marching at the beat of a drum

Come all you pretty fair maids, come walk in the sun  
And don't let your young man ever carry a gun  
For the dove, it will scare her, and she'll fly away  
And then there'll be weeping by night and by day
