Its summertime and Im Drinking on my driveway
Its summertime and Im Drinking on my driveway

Its summer time hey and were drinking on my driveway

Cant fuck with that hard liquor, Im back to my cerveza,
Pacifico with no lime, a six pack in a short time
Drinking in cantinas, or drinking in my driveway
Either way its ATM, a toda madre

You wanna party, pues caile, but BYOB,
Bring Your Own Beer ese, and bring some for me,
Dont forget about my primos Cuz they all drink too,
Dont forget mis amigos. And whatchu think fool?

I know you didnt think that you could kick it for free
And I know you didnt think that all the beer was on me,
And if you got some green hierba, then you can bring
that

And if you got a gang of rucas, then they can kick back
Im always down for a drink out, though nothing nothing
leaks out

Cant handle your liquor, you gots to go, homeboy
peace out.

Drive careful, and keep an eye out for La Jura
If they getcha, you never knew me I never knew ya

Its summertime and Im Drinking on my driveway
And were drinkin in my drive way
Its summertime and Im Drinking on my driveway
Its summertime and were drinkin in my drive way

Borracho being macho you best a split
Dont ask why, just go unless you want a fat lip
Shut up dont say nothing, no one wants to hear that shit
No one cares what you say, you get the fuck on with
your fit

Im licked. And why you wanna fuck with my high
Blow my mind like driving the convertable in July
Ill drink some beers whatever kind you want to get me
Pacifico, Corona, Sol or Dos Equis
Lets party every day, celebrate like Cinco de Mayo
