DRIVE SORROWS AWAY

You see we brave sailors so cheerful and gay  
Since we've learned a new act to drive sorrows away  
Sorrows away (3x)  
Since we've learned a new act to drive sorrows away

Bright Phoebe awaits so high up in the sky  
With her red rosy cheeks and sparkling eye  
(as above)

If you ask for my credit you will find I have none  
With my bottle and friends you will find me at home

Although I'm not rich and although I'm not poor  
I'm as happy as those that's got thousands or more
