(RÃ©gis Ducatillon/JÃ©rÃ©my Olivier)

Touch me, I'm gonna love you crazy.
Love me, you're gonna cry your body.
Love me, you cry, you failed, you're crazy.
Love you, I'm gonna feel you, feel you.

Touch me, make me crazy, come and come to me.
Baby, just take my hand now, just take my hand now.
Just take my hand now, just take my hand.

Baby, baby, baby, can't you see? Sometimes I feel I get
a party.

Touch me, I'm gonna love you crazy.
Love me, you're gonna cry your body.
Love me, you cry, you failed, you're crazy.
Love you, I'm gonna feel you, feel you.

Touch me, make me crazy, come and come to me.
Baby just take my hand now, just take my hand now.
Just take my hand now, just take my hand.

Baby, baby, baby, can't you see? Sometimes I feel I get
a party.
