Chorus

Feeling myself feeling my swagger
Feeling my swagger feeling my swagger
Feeling myself feeling my swagger
Feeling my swagger feeling my swagger

White... Gucci shades

I would be ding my thing I will be doing my thing
Little momma she will be on it
Cause she know I keep a lot of money
I will be doing my thing
I will be Louis V from my head to my feet
If you catch me in the club I would be in the VIP
Popping bottles with models we will be tossing up
dollars
And everybody know it's me cause I would be

Chorus

Feeling myself feeling my swagger
Feeling my swagger feeling my swagger
Feeling myself feeling my swagger
Feeling my swagger feeling my swagger

They wanna do it like me
But they can't do it nice
Cause I would be on another level with it
Cause they will never get it
They call me mister take your girl to your crib
... let you eat it eat it
They call me mister take your girl to your crib
... let you eat it eat it

I will be Louis V from my head to my feet
If you catch me in the club I would be in the VIP
Popping bottles with models we will be tossing up
dollars
And everybody know it's me cause I would be

Chorus

Feeling myself feeling my swagger
Feeling my swagger feeling my swagger

Feeling myself feeling my swagger
Feeling my swagger feeling my swagger
