"When the crypt doors creek and the tomb stones  
quake  
Spooks come out for a swinging wake  
Happy haunts mater'lize  
and begin to vocalize  
Grim grinning ghosts come out to socialize

Now dont close your eyes  
and dont try to hide  
or a silly spook may sit by your side  
Shrouded in a daft disguise  
they pretend to terrorize  
Grim grinning ghosts come out to socialize

As the moon climbs high  
O'er the dead oak tree  
spooks arrive for the midnight spree

creepy creeps with eerie eyes  
start to shriek and harmonize  
Grim grinning ghosts come out to socialize

When you hear the kwell of a requiem bell  
weird glows gleam where spirits dwell  
restless bones etherialize  
rise as spooks of every size

If you would like to join our jamboree  
there's a simple rule that's compulsory  
mortals pay a toxen fee  
rest in peace the hauntings free  
so hurry back  
we would like your company"
