HYMN

Let not your hearts with anxious thoughts
Be troubled or dismayed
But trust in providence divine
And trust my gracious aid

I to my father's house return
There numerous mansions stand
And glory manifold abounds
Through all the happy land

BREAK

I go your entrance to secure
And your abode prepare
Regions unknown are safe to you
And I, your friend, am there.
Then I shall come when ages close
To take you home with me
There we shall meet, to part no more
And still together be.

BREAK

I am the way the truth, the life
No son of human race
But them that I conduct and guide
Will see my father's face
