air(air), air(air), air(in the air)
air(woah), air (air), air(in the air)

its friday night i see them flashin lights yeah
cant get enough of a bar i really need tonight
didnt think that this could get any better
then you walked into my world
now its lock down its only you and i
we can go with the flow feeling deep inside
wanna say bout a second i read you
cant stop looking in your eyes
and their beautiful (aye)

in the moment and the vibe is right
can you feel it such a rush tonight
oh its in the air, in the, in the air
in the air, in the, in the air
put your hands up above the cloud
and we wont stop gunna make it loud
oh its in the air, in the, in the air
in the air, in the, in the air
air(woah), air (air) air (in the air)

this night incredible its all beacuse of you girl
feeling the energy raiding yeah
never thought i would meet someone quite like you
never thought i'd be so close
everybody's on the dance floor there all checking us
out
the crowds (??)
(???)
(???)

in the moment and the vibe is right
can you feel it such a rush tonight
oh its in the air, in the, in the air
in the air, in the, in the air
put your hands up above the cloud
and we wont stop gunna make it loud
oh its in the air, in the, in the air
in the air, in the, in the air

noone touches me like you, (??)
i want someone like i need you (somebody yeah)
air, air(air), air, air
air, air (air), air (air)
air (ohh yeah)

in the moment and the vibe is right
can you feel it such a rush tonight
oh its in the air, in the, in the air
in the air, in the, in the air
put your hands up above the cloud
and we wont stop gunna make it loud
oh its in the air, in the, in the air
in the air, in the, in the air

air(air), air (air), air(in the air)
air (woah), air (woah), air (woah)..
