Into The Air

Into the air, U.S. Air Force\*  
Into the air, pilots true  
Into the air, U.S. Air Force  
Keep your nose up in the blue;  
And when you hear the engines roaring  
And the steel props start to whine  
Then you can bet the U. S. Air Force  
Is on the fighting line!

\*originally Army Air Corps (until 1942 or 1943, I think)
