IT CAME UPON THE MIDNIGHT CLEAR

It came upon the midnight clear, that glorious song of old  
From angels bending near the earth to touch their  
harps of gold  
Peace on the earth, goodwill to men, from heav'n's all  
gracious king  
The world in solemn stillness lay to hear the angels  
sing.

Still through the cloven skies they come with peaceful  
wings unfurl  
And still their heavenly music floats, O'er all the weary  
world.  
Above its sad and lowly plains they bend on hovering  
wing  
And ever o'er its Babel sounds the blessed angels sing.

O ye, beneath life's crushing load, whose forms are  
bending low  
Who toil along the climbing way with painful steps and  
slow  
Look now for glad and golden hours come swiftly on  
the wing  
O rest beside the weary road and hear the angels sing.

For lo the days are hastening on, by prophets seen of  
old  
When with the ever circling years shall come the time  
foretold  
When the new heaven and earth shall own the prince of  
peace their King  
And the whole world send back the song which now the  
angels sing.
