I thought no one cares  
No one thinks of me  
I felt lonely when  
No one comforted me  
But when you came along  
Put me where I belong  
And you promised me  
I'll never be alone...

[chorus]  
So I made this song  
Just to let you know  
How I feel  
Just for You, my LORD  
So I made this song  
Listen to my song  
Song of praise  
Just for you...

[filipino]  
Kung akala mo'y walang nagmamahal  
Nalulungkot  
Walang dumaramay  
Ng makilala ka  
Buhay ko'y sumigla  
Binigyan mo pa  
Ako ng pagasa...

[repeat chorus]
