All right, partner
Keep on posin', baby
You know what time it is.

Throw your hands up
Pull your pants up (repeat twice)

Rap's in and rock's out
And tough to beat down
Blow-up! Sell out!
Tell ya what you gotta do now
Arms crossed and hands out
Head back, and face frown
Black up, Black up
Tell ya what you gotta do now

Keep posin', posin', posin', posin'.
(What?)
Keep posin', posin', posin', posin'.
(Come on!)
Keep posin', posin', posin', posin'.
(Yeah!)
Keep posin', posin', posin', posin'.

Now I know ya wanna pose like this right here
F-A-K-E, Gangsta's right here
Fratboys in the house, actin' like they're from the 'hood
(Cause if you look good,
then we look good)
Eeny, Meeny, Miney to the Mo
Doesn't even matter what the lyrics are, yo!
So put your right hand in,
Put your right hand out.
Do the hokey pokey and shake it all about

Keep posin', posin', posin', posin'.
(What?)
Keep posin', posin', posin', posin'.
(Come on!)
Keep posin', posin', posin', posin'.
(Yeah!)

Keep posin', posin', posin', posin'.

You wanna be like Limp Bizkit?

(Yeah)

Then you can be like Limp Bizkit!

(How?)

You gotta sport the right gear,

(oh!)

Like this gold chain right here.

(okay)

You see this red hat of mine?

(uh-huh)

You should wear it all the time.

And get some expensive shoes, and

Have a brother write your rhymes.

Now you got your game set.

Don't we look the same yet?

24/7, Be as hardcore as you can get

Temporary tattoos up and down your arms

They only cost a quarter

(And you get free plastic charms)

Keep posin', posin', posin', posin'.

(What?)

Keep posin', posin', posin', posin'.

(Come on!)

Keep posin', posin', posin', posin'.

(Yeah!)

Keep posin', posin', posin', posin'.

Rap's in and rock's out

And tough to beat down

Blow-up! Sell out!

Tell ya what you gotta do now

Arms crossed and hands out

Dress up like a clown

Black up, Black up

Tell ya what you gotta do now

Keep posin', posin', posin', posin'.

(What?)

Keep posin', posin', posin', posin'.

(Come on!)

Keep posin', posin', posin', posin'.

(Yeah!)

Keep posin', posin', posin', posin'.
