SILENT NIGHT

(Joseph Mohr, 1818-- translation anon.)

Silent night, holy night, all is calm all is bright  
Round yon virgin mother and child, holy infant so  
tender and mild  
Sleep in heavenly peace, sleep in heavenly peace.

Silent night, holy night, shepherds quake at the sight  
Glories stream from heaven afar, Heav'nly hosts sing  
Alleluia  
Christ the savior is born, Christ the savior is born.

Silent night, holy night, wondrous star, lend thy light  
With the angels let us sing Alleluia to our King  
Christ the Saviour is here, Jesus the Saviour is here!

Silent night, holy night. Son of God, love's pure light  
Radiant beams from Thy holy face, with the dawn of  
redeeming grace  
Jesus, Lord at Thy birth, Jesus, Lord at Thy birth.

note: music, Franz Xavier Gruber, 1818
