I Met A Girl
The Other Day

We Fell In Love
What Can I Say

My Future's Black
It's Scaring Me

But To Hell With Misery
Ain't Going Home
Ain't Looking Back!

A 9-5
The Hell With That

I'm On My Own
But Not Alone

My Faith's in God
I'll Carry On

Goodbye To The World
That I Use To Know

Goodbye To The Friends
That I Use To Know

Goodbye To The Girl
That I Could Of Loved

Goodbye To The World
That I Use To Now
And This Just Might Be

The Shortest Song
That You Have Ever Heard
